Organization Leads to Peace of Mind

The LifeSite Wellness Program is an employee benefit that allows employees to securely store, organize, and share information and files with loved ones and trusted advisors.

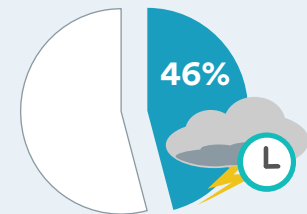

Financial Stress

“53% of workers across all generations surveyed said financial stress is their leading cause of stress”
- PricewaterhouseCoopers (PwC)

“High financial stress levels can lead to an increase in absenteeism, presenteeism, health concerns and work conflicts”
- Entrepreneur Magazine

“46% of workers spend 3 hours or more during the work week thinking or dealing with financial issues”
- PricewaterhouseCoopers (PwC) & Forbes

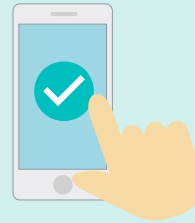

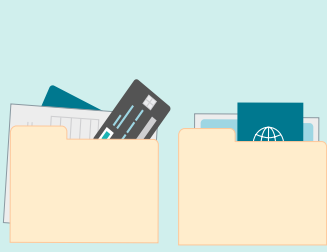

Cost to Employers

“Employers with 10,000 workers are estimated to lose \$3.3 million per year in lost productivity due to employee financial stress.”
- PricewaterhouseCoopers (PwC)

“Unscheduled absenteeism costs employers \$2,650 each year per salaried employee”
- Circadian Workforce Solutions & Forbes

Modern Tool For Your Information

Get Organized

Dozens of predefined categories and guided life event checklists saves employees' time when entering information.

Ultra-Secure

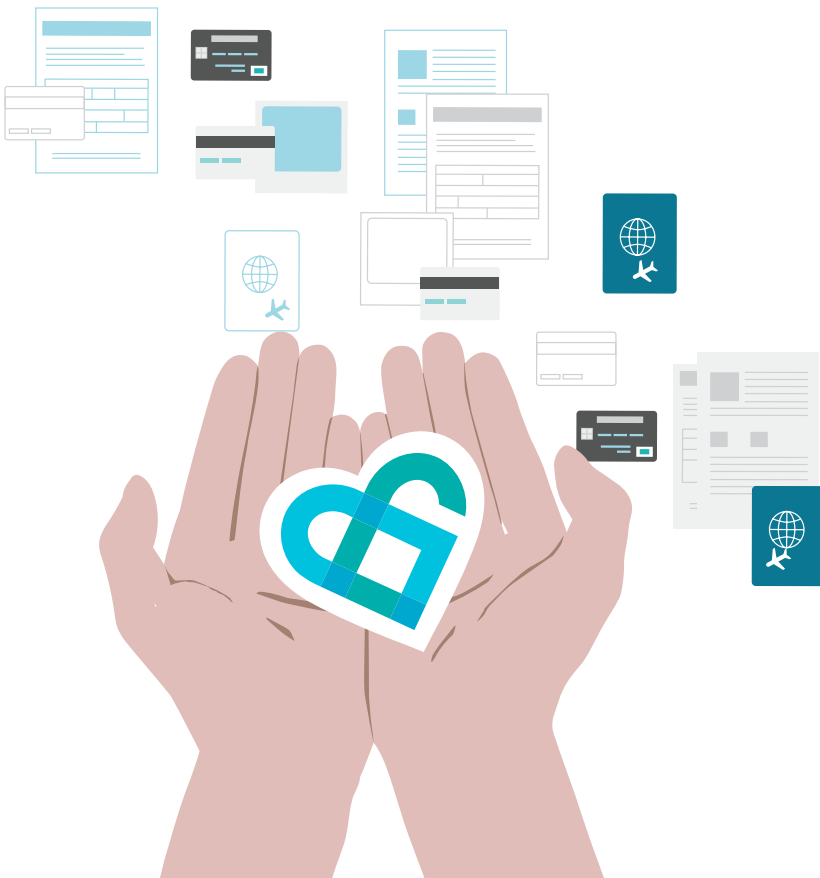

Our patented security protects every employee with their own unique encryption key and layered encryption.

Mobile Access

Free mobile app to instantly access information during an emergency or when employees need to enter information on-the-go.

Collaborate

Managing information is a team sport. Employees can give family and trusted advisors access to certain categories of their account.

Lifesite Wellness Program for Employers

LifeSite accounts for your employees.

Employer-branded landing page and collateral for program launch.

LifeSite assistance with onboarding, program adoption and ongoing engagement.

Offer guidance through employer-branded life checklists.

Collaboration with other employee benefits like professional resources.
